**BEST BET: Race 9 - #7 Curlin's Approval**

When looking at the multi-race wagers, Curlin's Approval looked like a horse I might just consider singling. More than anything, I love her getting back to her best distance of 7 furlongs, and at her home track. She comes out of a big performance in the G3 Rampart behind the classy Lewis Bay

**LONGSHOT: Race 7 - #10 Beasley**

This was a horse that the connections thought very highly of at the start of his career. He has run a couple of big races here at Gulfstream Park, as well. He's been freshened up since his try in G1 company last time out in the Cigar Mile, but he had an outside post and I think he fits in this field at a good price today.
