BEST BET: Race 7 - #5 Fast Boat

He has only had two starts so far and has to step up to face winners in stakes competition, but Fast Boat's maiden win last time out was so impressive. This colt by City Zip definitely appears to be on an upward trajectory, and trainer Christophe Clement's numbers with maiden winners last out on the turf trying non-graded stakes are excellent, as he is 6-for-14 in the past 5 years.

LONGSHOT: Race 5 - #6 Act Now

Trainer Alan Goldberg has had some very well-meant runners so far during this year's Championship Meet. This filly will be tested for class today against some quality runners, but her debut race was impressive with an outside draw, managing to pull away and win by open lengths at first asking. Paco Lopez will be aboard today.
