**BEST BET: Race 4 - #4 Prince Lucky**

He was my longshot last time out in the G3 Hal's Hope at 7-1, but we won't get anything close to that price this time around! I always thought that he was better going around one turn, and I'm glad that he is sticking at this one turn mile. He has to prove he can make it two in a row off the layoff, but I think he meets a manageable field this time around.

**LONGSHOT: Race 9 - #2 Overbold**

This Bill Mott runner has a lot to prove after an okay race last time out, but it was his first time with blinkers on and faced a good field with the likes of Clint Maroon, who came back to win again the next time out with an 83 Beyer Speed Figure. This son of Uncle Mo keeps John Velazquez up and has been freshened since his last start on February 6.
