**BEST BET: Race 9 - #2 Browns Gap**

It is important to note that the 1 mile and 70 yards difference at Gulfstream Park West is two turns, while the 1 mile at the same condition at Gulfstream Park is one turn. Many horses in this race have been running 7 furlongs out of the chute or the one turn mile across town. An advantage that Browns Gap has is that he can handle the distance. He won going 9 furlongs at Gulfstream, has speed, and also boasts a win over this surface.

**LONGSHOT: Race 4 - #6 Gregory Sun**

Since being claimed by trainer Bobby Dibona, this gelding has only ran once on turf, and it was for double the claiming price of what he is in for now. He has races on grass back in the spring against comparable competition that were very strong, and I'm hoping he can run back to those and that some of his back class carries him through here. He'll be a nice price, and while there is plenty of other speed in here, he has shown the ability to come from off the pace.
