BEST BET: Race 7 - #1 Franklin Towers

This gelding by City Zip looks very well meant in this spot, picking up current leading jockey Irad Ortiz and taking a drop in class. In addition, he has plenty of speed and should be able to dictate the pace and save ground from the inside post. He looks like a consistent runner for trainer Jane Cibelli.

LONGSHOT: Race 4 - #3 Fast Talking

This 4-year-old colt by Flatter has not run since his debut in March of 2018, but it appears he is working exceptionally well up at Payson Park for his return to the races. Trainer Shug McGaughey is very good in getting horses ready off the layoff and has Jose Ortiz named to ride.
